AWARD

The Government of India, Ministry of Labour & Employment, by Order No. 2/234/60-LRII dated 30th November 1960, made in exercise of the powers conferred by clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), was pleased to refer the industrial dispute between the parties above named in respect of the matters specified in the following schedule to the said order for adjudication to the Industrial Tribunal at Dhanbad constituted under Section 7A of the said Act.

"Whether the action of the management of Bhalgora Colliery in rendering Shri Ramnath Singh, pump khalasi, idle from the 4th July 1960 was justified? If not, to what relief is he entitled?"

2. After the above reference was made Shri G. Palit, the learned Presiding Officer of the Central Govt. Industrial Tribunal, Dhanbad, passed away on 20th January 1961 and in the vacancy so caused, the Government of India in the Ministry of Labour & Employment by its Order No. F. 21(1)/61-LRIII dated the 16th February 1961 (S.O. 457) made in exercise of the powers conferred under Section 8 of the Industrial Disputes Act, 1947 (XIV of 1947), was pleased to appoint me to that office.

3. This dispute, thereafter, came up for hearing before me on 23rd March 1961. The union claims that Ramnath Singh who admittedly was employed as a Pump Khalasi, was unlawfully and unjustifiably dismissed from service with effect from 4th July 1960, when he was rendered idle by a verbal order of the Agent without any written order having been served upon him stating the reasons why he was dismissed from service; that the workman had by a registered petition of 7th July 1960 prayed for being allowed to resume work but the management had not replied to the said petition nor had they allowed him to rejoin duty. The matter was thereafter taken up in conciliation but the management did not appear before the Conciliation Officer and the conciliation proceedings ended in a failure.

4. The management in its written statement has stated that the dismissal from service of Ramnath Singh was legal and proper in as much as he had absented himself from duty without taking any leave and without informing the management about his whereabouts, that the workman, Shri Ramnath Singh, had failed to submit any explanation whatsoever for his said absence. A proper enquiry was held by the Agent of the colliery, and the workman was found guilty of remaining absent from duty without proper cause. The management suspected that Ramnath Singh was suffering from Tuberculosis and was unfit for work. The management therefore denied that Ramnath Singh was entitled to be reinstated in service or paid any compensation for the period from 4th July 1960.

5. At the hearing before me both the parties stated that Ramnath Singh, Pump Khalasi, the workman concerned in this reference, had passed away about a month ago, during the pendency of this reference. Shri Prasanta Burman therefore stated that the claim in this reference could not be pursued. He, however, appealed to the management to grant some compensation in lieu of the claim of the deceased against the employers in respect of the demands, other than reinstatement, in this reference. Shri M. R. Banerjee, Chief Mining Engineer of the Bhalgora colliery, offered to make an *ex-gratia* payment of Rs. 300 (three hundred) to the legal heirs of the deceased and Shri Burman accepted the offer in full settlement of the claims in this reference. The parties requested that the terms be recorded in this award. I, therefore, dispose of the reference as recorded above.
